

# 180w solar panel specifications

## Overview

---

180W Monocrystalline Solar Panel with 22.8% high efficiency. Features 10BB cells, IP67 waterproof rating, MC4 connectors. Perfect for 12V/24V/48V battery systems. Durable aluminum frame with 2400PA wind resistance."

180W Monocrystalline Solar Panel with 22.8% high efficiency. Features 10BB cells, IP67 waterproof rating, MC4 connectors. Perfect for 12V/24V/48V battery systems. Durable aluminum frame with 2400PA wind resistance."

Doing Solar Differently .

The PET flexible TS-FS180, offered by Top Solar Energy, represents a [. ] The OPFL-180M is a flexible monocrystalline solar panel produced by [. ] The ASL-P16180 Photovoltaic Module by Access Solar Limited is a [. ] The SDP-180-220 solar panel by Sunday Energy is a highly efficient [. ] The 12V.

This mono-crystalline 180 watt module features 13.8% module efficiency for an outstanding balance of size and weight to power and performance. Using breakthrough technology perfected by Sharp's more than 45 years of research and development, these modules use a textured cell surface to increase light.

Withstands all weather conditions \*MC4® is the registered trademark of Stäubli Electrical Connectors AG in the United States and/or other countries. Use of this trademark does not imply any a liation with or endorsement by Stäubli Electrical Connectors AG. Furrion® and the Furrion logo are.

The thick back sheet provides extra insulation and increased resistance to protect your module against rough handling. Made of white polyester, it ensures longer term performance and increased energy production. ISO 9001 factory certification ensures that our manufacturing facilities use proven.

● Features high-efficiency 10BB A-grade cells with 22.8% conversion rate, offering superior performance compared to 5BB panels. ● Designed for longevity with corrosion-resistant aluminum frame and IP67-rated waterproof junction box and connectors for reliable outdoor use. Shipping calculated at.

## 180w solar panel specifications

### 180 Watt Solar panels for sale , Prices, dimensions, weight, ...

180 Watt Solar panels' range of prices, dimensions, sizes, voltage output, specifications datasheets Ranges of information Voltage: 2.45V ~ 92.4V Amp: 1.95A ~ 13.33A
