At Apex Energy Australia, we offer state-of-the-art Battery Energy Storage Systems (BESS) tailored to meet diverse energy needs. Our solutions range from bespoke designs to pre-packaged high-voltage (HV) systems sourced from trusted international partners, ensuring optimal performance for large.

Trina Storage, a global leader in energy storage solutions, has played a pivotal role in enabling Pacific Green to secure AUD 460 million in financing for the Limestone Coast North Energy Park. The 250MW/500MWh battery energy storage system (BESS), supplied by Trina Storage, is scheduled to.

Looking for a reliable, modular, and scalable battery energy storage system?

PowerPlus Energy has you covered. Our all-weather suited systems are made with readily accessible components and can be mixed and matched to suit specific project requirements. Perfect for those who want an Australian-made.

At SCS Australia, we design and deliver containerised energy storage systems that provide safe, efficient, and scalable power solutions for industries, businesses, and communities. Housed in durable shipping containers, our systems are engineered to meet the growing demand for renewable.

Its Battery-Box Premium series offers flexibility, safety, and long cycle life, suitable for a range of applications in Australia. Headquartered in China but with strong presence in Australia, AlphaESS provides smart, user-friendly residential and C&I solutions. Its SMILE series supports modular.

Partners with INTEC Energy Solutions to deliver full EPC solutions and 25 years of operation and maintenance services. SYDNEY, Dec. 17, 2024 /PRNewswire/ --

Hithium, a leading global provider of integrated energy storage products and solutions has announced the supply of 640MWh of energy storage.
