China distribution switchgear in Malaysia

Overview

We are the distributor for high quality switchgears and transformers from China, Malaysia and Thailand and our client’s industry range from power, automobile, commercial development, education institution.

We are the distributor for high quality switchgears and transformers from China, Malaysia and Thailand and our client’s industry range from power, automobile, commercial development, education institution.

TAMCO Switchgear is a leading manufacturer and distributor of high-quality switchgear products, offering electrical distribution and control solutions for medium and low voltage applications. With over 50 years of experience, the company is dedicated to excellence in switchgear solutions, ensuring.

Established in 2015, Tectra Sdn Bhd, previously known as TECMCO Sdn Bhd, has over 10 years of collective experience in supplying a wide range of medium voltage (MV) and high voltage (HV) switchgears and transformers in the engineering industry. We are the distributor for high quality switchgears.

With over 50 years’ experience, TAMCO has grown into one of Malaysia’s trusted medium-voltage switchgear makers, specializing in both air- and gas-insulated equipment for up to 40.5 kV. They offer a dedicated mv rmu product line for example their “GR1” 12 kV Ring Main Unit, featuring sealed.

That's why we specialize in designing, manufacturing, and delivering cutting-edge switchgear solutions that empower industries to thrive. Recognizing the diversity of industries we serve, we specialize in providing customized switchgear solutions. Whether you’re in manufacturing, utilities, or any.

Circuit protection and motor control products for residential, commercial, institutional, industrial and utility applications. Choosing SIMOPRIME switchgears provides peace of mind, reduces costs, increases productivity and more importantly, saves life. Our team of experts and well-trained.

UA Switchgear | Low Voltage Switchboards | Malaysia – Manufacture of high quality low voltage switchboards for industries. +603-8080 2063 Mon - Fri 09:00 - 17:30 Kawasan Perindustrian Kinrara, Jalan Puchong. The company specialises in the

design and manufacture of high quality Low Voltage.
