We are proud to introduce our latest product, the 225 Amp Breaker, designed to meet the demands of modern electrical systems. Our 225 Amp Breaker is built to the highest industry standards, ensuring reliable and safe performance in various applications. Whether you are in need of circuit protection.

A 225 amp circuit breaker is a high-capacity electrical protection device designed to safeguard circuits from overloads, short circuits, and potential fire hazards. With a rated current capacity of 225 amps, these breakers are essential for managing heavy electrical loads in large residential.

The Circuit Breaker is an essential part of our Circuit Breaker offerings. Various types of circuit breakers are available, such as air circuit breakers, miniature circuit breakers, and molded case circuit breakers. Each type serves different functions and operates at different voltage levels.

With a solid credit history, outstanding after-sales service, and modern production capabilities, we have built a strong reputation among consumers worldwide. Our offerings include high-quality products such as the 100 Ah Lithium Battery, 40 Amp Breaker, Mobile Generator, and Led Light Switch.

Shandong Ys Electric Co., Ltd. is a leading manufacturer and supplier of high-quality circuit breakers in China. Our company specializes in producing top-notch breakers that are not only affordable but also meet the highest quality standards. Our circuit breakers are designed to provide maximum.

HMKM1 series molded case circuit breaker (hereinafter referred to as circuit breaker) is one of the new circuit breakers developed by our company with international advanced design and manufacturing technology. The rated insulation voltage is 800V, which is suitable for AC 50Hz, rated working.
