

Kathmandu 2025 Energy Storage Project

Overview

Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organisation (UNIDO) to install one of Nepal's largest energy storage systems, with a total battery capacity of 4MWh.

Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organisation (UNIDO) to install one of Nepal's largest energy storage systems, with a total battery capacity of 4MWh.

The company announced that this initiative aims to help industries and businesses reduce diesel consumption and transition toward decarbonisation through smart grid development. Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations.

Kathmandu: Gham Power, with its partners Practical Action and Swanbarton, have officially been awarded a project by the United Nations Industrial Development Organization (UNIDO) to install one of the largest energy storage systems in Nepal, with a total battery capacity of 4MWh will help.

Gham Power, in collaboration with Practical Action and Swanbarton, has been awarded a project by the United Nations Industrial Development Organization (UNIDO) to install one of Nepal's largest energy storage systems, with a total battery capacity of 4MWh. This initiative aims to help industries.

Kathmandu: Gham Power to install Nepal's Largest solar battery storage system with an equivalent capacity of 4 MWh. This milestone project, implemented in partnership with Practical Action and UK-based energy storage experts Swanbarton, has officially been awarded by the United Nations Industrial.

Imagine a city where streetlights dim during peak hours while hospitals rely on diesel generators. This isn't fiction - Kathmandu's power demand grew 18% annually since 2020, yet 6-hour daily blackouts remain common. The solution?

Strategic energy storage deployment. "Energy storage isn't just.
