

Portable power station for tv in Denmark

Overview

Vil du have muligheden for at lade dine elektroniske enheder på farten?

Heldigvis er det let med vores udvalg af bærbare ladere og power stationer.

Vil du have muligheden for at lade dine elektroniske enheder på farten?

Heldigvis er det let med vores udvalg af bærbare ladere og power stationer.

The high-performance KS 5200PS power station from Könnner & Söhnen® combines high power and mobility. It is equipped with a high-capacity LiFePO4 lithium iron phosphate battery, a pure sine wave inverter, and offers fast solar charging - up to 5 kW! With its technical specifications, the station.

The new DJI Power 2000 portable power station packs 2048Wh high capacity into a compact size. Its 3000W output powers most household appliances effortlessly. Recharge to 80% in just 45 minutes using AC power, or opt for solar and car recharging. Highly expandable, it can be extended up to 22,528.
