

Portable power supply outdoor recommendation

Overview

Find the best portable power stations for your backcountry and frontcountry plans, based on extensive, hands-on testing.

Find the best portable power stations for your backcountry and frontcountry plans, based on extensive, hands-on testing.

Portable power stations are more powerful and cost effective than ever before. And, thanks to advances in lithium-ion battery technology, they're also lighter and more compact. Whether you've been dreaming of van life or are building out your emergency kit in advance of that next blackout, there is.

Portable power stations can deliver power when you need it most, whether during power outages or just for an off-grid adventure. These handy electricity suppliers vary in size, output, and energy source, not to mention durability. That's why we've tested 22 models since 2022; some we've kept on.

We tested out over 40 compact power stations to find out which ones will keep you connected off the grid. When you purchase through links on our site, we may earn an affiliate commission. Here's how it works. The best portable power station keeps you up and running whether you need a power supply.

Stay powered on the go with the best portable power stations out there -- tried and tested by CNET's experts. Article updated on December 5, 2025 at 2:24 PM PST Sq. Feet of Lab Space CNET staff -- not advertisers, partners or business interests -- determine how we review products and services. If.

It offers lots of power for its size and price, and it has a wide array of outlets and charging ports, an easy-to-use interface, and a relatively rugged exterior. Each model must have a pure sine-wave inverter, so it can safely run a motored appliance or a critical device like a CPAP machine. Each.

Power stations are ideal to help you get through a power outage and for off-grid camping. They provide a compelling alternative to a loud and smelly generator. And, unlike gas-generators, power stations don't emit potentially lethal carbon monoxide fumes. When outfitted with optional solar panels.
