Conex Shipping containers are becoming a trusted solution in the healthcare industry, offering fast, flexible and cost-effective space solutions. Whether for mobile clinics, on-site storage, or emergency response, new and used containers provide secure, weather-resistant, and customizable options.

The foldable hospital container house is a prefabricated unit that can be used as a medical clinic for various services. It is portable, ready-made, and low-cost, and can be installed and transported quickly and efficiently. Item NO.: Please fill out the form below to request a quote or to request.

Optimize your storage space with plastic bins. Control inventory, shorten retrieval times and minimize supply handling. Heavy-duty polypropylene bins securely stack atop each other and sit on shelving. Sturdy, one-piece construction is water, rust and corrosion proof and guaranteed not to break in.

Our portable storage containers are 100% weather resistant; roofs are corrugated to allow for optimal durability and water runoff, and floors are coated and sealed to provide a waterproof, non-slip, non-toxic, non-odorous surface. Features include forklift pockets, receiver tubes, d-rings, e-track.
