Looking for a portable power shipping container solution that delivers reliable, mobile energy when and where you need it?

At SCS Australia, we supply modified shipping containers that are fully equipped with power generation and storage systems, making them ideal for construction sites, events.

Powered by premium 610W panels, the 100KW Mobile Solar Container from HighJoule delivers maximum energy density in a compact 20ft format. It's optimized for grid-tied setups requiring continuous and stable output. Join us as a distributor! Sell locally — Contact us today! Submit Inquiry Get.

What is LZY's mobile solar container?

This is the product of combining collapsible solar panels with a reinforced shipping container to provide a mobile solar power system for off-grid or remote locations. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel.

Our new and used 20ft and 40ft Flat Rack Collapsible End Shipping Containers are perfect for transporting and storing heavy, oversized, or awkwardly shaped cargo. Explore Flat Rack Collapsible End Shipping Containers for sale with fast, Australia-wide delivery. Extend the functionality of your.

Port Shipping Containers offers a diverse range of shipping containers for sale, catering to various needs—from personal storage to large-scale commercial projects. With both new shipping containers for sale and used shipping containers for sale, we provide solutions that combine quality.

At Modbox, we design and build shipping container solar solutions to securely house your solar panels, batteries, inverters, and other equipment. Whether you're powering a remote worksite, an off-grid project, or a backup energy system, our containers are built tough for Australian conditions.
