What is the Cost of Solar Panel Installation in Malaysia?

A typical solar system for residential use could cost anywhere from RM14,000 to RM46,000. This price range varies depending on the type of house and roof size, according to the Malay Mail [1].

The average cost to install a residential solar system in Malaysia ranges from:
Note: Prices vary depending on your roof size, solar panel brand, inverter type, and installer. Prices are inclusive of SEDA-certified installer fees, TNB Net Energy Metering (NEM) application, and mobile app-based.

High-quality photo of solar panels installed on a Malaysian terrace house under bright sunlight. Malaysia's solar market has grown rapidly in recent years, driven by rising electricity tariffs, increasing environmental awareness, and the expansion of the NEM (Net Energy Metering) program. As more.

With solar panels now more affordable than ever in Malaysia, businesses and homeowners are rethinking their energy strategies in 2025. The new electricity tariff structure implemented July 1, 2025, combined with enhanced Self-Consumption (SelCo) programme benefits, has made solar panel installation.

This guide is for homeowners planning a first rooftop system, SMEs evaluating 30–100 kWp, and facilities teams managing multi-site portfolios. We'll keep things practical: approvals, tariffs, sizing for self-consumption, CAPEX vs OPEX, and what still matters after June 2025. Solar Panel Farm in.

Solar panels are becoming increasingly popular in Malaysia, but how much do they actually cost?

The price of installing solar panels can vary widely based on several factors

including the size of the system, the type of panels used, and installation complexity. On average, you can expect to pay.

The actual cost of installation can vary depending on several factors, for example the type of house and the size of the solar photovoltaic (PV) system. Whether you are a homeowner or a business owner, this article will provide valuable information to help you learn about solar panel installation.
