

Solar power station portable in Vancouver

Overview

Rent Anton Bauer, Blueshape, and EcoFlow portable power stations, solar panels, on-camera batteries and chargers from 178 Digital in Vancouver, BC to power your cameras and lights on location or provide additional power for weddings and special events.

Rent Anton Bauer, Blueshape, and EcoFlow portable power stations, solar panels, on-camera batteries and chargers from 178 Digital in Vancouver, BC to power your cameras and lights on location or provide additional power for weddings and special events.

Silent, portable power for outdoor events and remote setups. This 2000W solar generator rental is perfect for powering sound systems, lighting, and electronics at events where gas generators are not ideal. It's a clean, quiet option for outdoor weddings, festivals, film sets, and emergency power.

For demanding cinematographers, DIONIC XT is the gold standard for high-performance, consistently reliable mobile power in temperatures from -20C to 60C (-4F to 140F). Delivering 12 amps of constant current to power cameras and accessories simultaneously, and with sophisticated charging technology.

Ultra high capacity battery systems that deliver clean power without noise, fumes, or wires. "In every application we are finding new uses for them . Everyone is asking can I use VOLTstacks to power our sets/locations." Scalable systems to fit every project. Add batteries for longer duration or.

Stay connected and powered up no matter where you are with versatile energy solutions like portable power stations, solar panels, and home battery backups. Whether you're preparing for a power outage, spending time off-grid, or simply looking to reduce reliance on the grid, this collection offers.

Rent the Anker SOLIX F2000 (PowerHouse 767), a powerful, eco-conscious 2000W portable power station rental with 4000W surge capacity. Perfect for outdoor weddings, film sets, festivals, off-grid retreats, corporate events, or emergency backup. Rent it now in Vancouver. Whether you're planning a.

Portable power stations are essential for anyone who spends time outdoors, travels

off-grid, or simply wants a reliable backup power source at home. These compact units provide electricity when and where you need it most. Whether you're camping, road tripping in your RV, or facing an unexpected.
